## WHAT OUR CUSTOMERS SAY:

"I just wanted to reach out and let you know how happy we were with you and your services! Thank you for everything. Everyone had a great time and I am impressed with you and your team/company."

- Corporate client in Minneapolis

"We rented a pinball, foosball, and air hockey for a few of the activities at our daughter's Bat Mitzvah celebration. Lieberman brought in the games, set them up at the venue ahead of time, and came out after to roll them out. It was an easy, carefree element that added a relaxed comfortable area for the kids to hang out and stay engaged."
